

Directions to Photonic Systems Group

The Photonic Systems Group is part of the California Institute for Telecommunications and Information Technology (calit2). The institute's physical structure, Atkinson Hall, is marked by a placard above the south-facing pedestrian entrance.

The nearest searchable intersection, marked by a yellow star in the map below, is Voigt Dr. at Engineer Ln., 92121.

If parking has been prearranged, please proceed to the designated parking location. Hopkins parking structure is equipped with pay to park machines.

Once inside calit2, proceed to the elevators. The Photonic Systems Group occupies the north west corner of the 6th floor. The research lab is located in room 6208. Professor Radic's office is located in room 6316.
